

Intelligent Cloud Platform User Operation Manual (Simple Version)

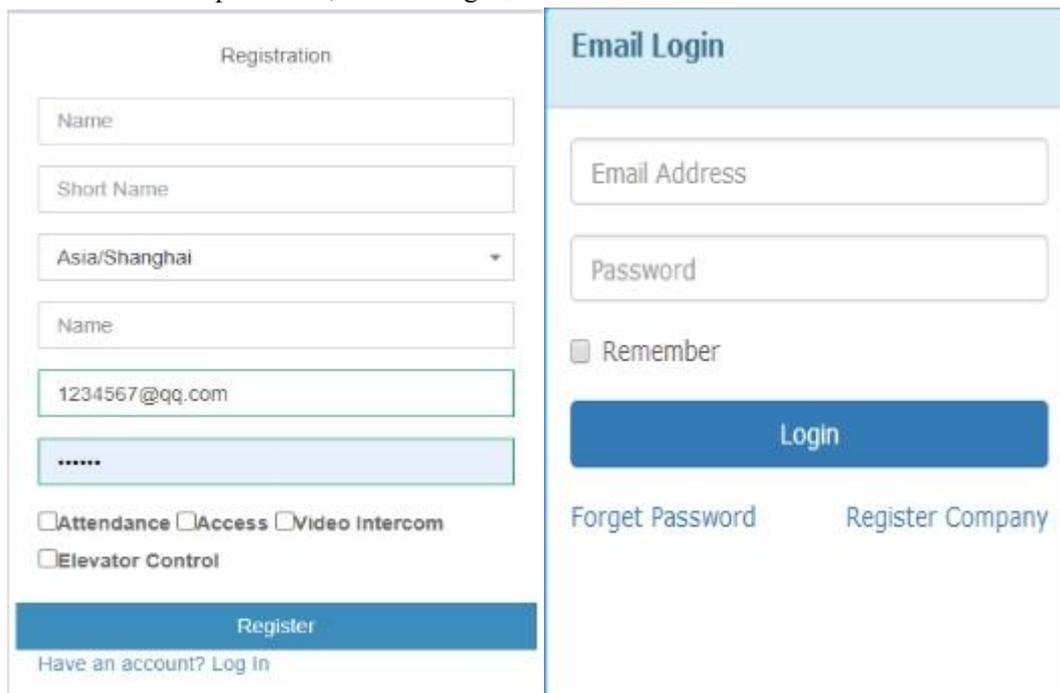

Step 1: Register Company Account

Enter the login page then click **【Register Company】**, enter registration page.

The screenshot shows the 'Email Login' page. It features a light blue header with the text 'Email Login'. Below the header are two input fields: 'Email Address' and 'Password'. There is a checkbox labeled 'Remember' with a small square icon to its left. A prominent blue button with the text 'Login' is centered below the input fields. At the bottom of the form, there are two links: 'Forget Password' on the left and 'Register Company' on the right.

After entering corresponding company name、 name、 company email, check the features you need below, it can be a available account of intelligent cloud platform. Then turn to login page ,enter email address and password ,click **【Login】** .

This block contains two side-by-side screenshots. The left screenshot shows the 'Registration' page. It has a light blue header with the text 'Registration'. The form includes several input fields: 'Name', 'Short Name', a dropdown menu currently showing 'Asia/Shanghai', another 'Name' field, and an email field containing '1234567@qq.com'. Below these fields is a password field with six dots. There are four checkboxes for features: 'Attendance', 'Access', 'Video Intercom', and 'Elevator Control'. A blue 'Register' button is at the bottom, with a link 'Have an account? Log In' below it. The right screenshot shows the 'Email Login' page, which is identical to the one shown in the first screenshot.
